

PAID INTERNSHIP @ NORTHWESTERN UNIVERSITY!

SPEND THE SUMMER EXPLORING EARTH SCIENCE!

June 15th - July 1, 2022

Please note this includes Saturdays and will be an in person immersive lab experience.

The GEOpaths Program at Northwestern University is accepting applications from current juniors and seniors for **PAID** lab internships.

- Choose from a variety of interesting STEAM-based projects to research with your Northwestern mentor.
- Explore a variety of Earth Science career pathways that are relevant and impactful.
- Receive training in coding, data science, instrumentation, and communication.
- Share research project outcomes with your community!

GEOPATHS @ Northwestern University

**Application Deadline:
Friday, March 18, 2022**
